

# DNE9000 Central Management System Server/Client Database Software

## DESCRIPTION

The DNE9000 Series is an Enterprise Central Video Management System with integrated Server and Client PC Software for large scale applications. With Distributed architecture design, it supports LAN and WAN configuration, Virtual Matrix for Videowall, IP-SAN Storage, multiple sites/servers, 5000 users, 10,000 cameras as fixed, PTZ, Hybrid/Thermal, ANPR. Feature include Face Recognition, People Counting, Heatmap, Traffic Analysis, Vehicle Counting, Access Control devices, user friendly GUI, up to 64ch video per screen, GIS map, monitoring windows, remote site Alarm alerts, 600Mb Streaming Rates, two-way Audio, PTZ Data Controls and ONVIF compliance. Stability and reliability are complemented by load balancing, dynamic cluster, hot HDD spares, watchdog. The DNE9000 CMS Series are enterprise solutions for commercial and industrial IP video surveillance installations.

## FEATURES

- \* Network Central Management System Client DVR like Graphic User Interface
- \* Management Server, Media Distribution Server, Intelligent Analysis Server
- \* CPU: Intel Xeon Silver 4114, 2.2GHz, 16G RAM, 1TB, 500GB for program
- \* Client: i7 Intel Processor 16GB DDR3; Intel Graphic 630, 10G for program
- \* OS: WIN 10/11(64bit), Server 2019/2022
- \* Smart Phone: IOS8.0, Android 4.4 and above
- \* Unlimited Sites, Servers; 5000 Users, 10,000 Accounts, 10,000 Video Channels
- \* Live view fisheye mode for Fisheye cams; panoramic mode up to 32M panoramic cams
- \* ANPR (license Plate) Cameras, Face Recognition; People Counting, Vehicle Counting, Access Control Devices/Doors
- \* GIS-Map PNG, XPM, JPEG formats; Alarm Flash, Hot spot and map zoom in/out
- \* Supports Digital Matrix Platform, Video Wall
- \* Supports M+N cluster failover redundancy
- \* Supports Local backup by time and channels; custom watermarks to downloaded videos
- \* Video wall layout, configure/manage, decoder

## APPLICATIONS

- \* Homeland Security
- \* Correctional Centers
- \* Petrochemical Industry
- \* Corporate and Banking
- \* Casinos and Hospitality
- \* Health Care Centers
- \* Schools and Universities
- \* Government and Military
- \* Power Generating Plants
- \* Traffic Surveillance (ITS)

## ORDERING INFORMATION

DNE9000 Network Video Management System, LAN and WAN Configurations, Virtual Matrix
